6. Units.

A. Unit Designations. Each of the dwelling units added to the Condominium hereby (called a "Unit") is legally designated on the Ninth Amendment to the Drawings accompanying this amendment and filed simultaneously herewith, labeled, "Drawings for Estates at Tremont Club Condominium Ninth Amendment," by a Unit designation, which is a number corresponding to the building number, a dash (-), and a number corresponding with the numerical portion of the street address of that Unit. The Unit designation of each Unit added hereby is shown on the Ninth Amendment to the Drawings where that Unit is located. A listing of proper Unit designations of the Units added hereby (and the Unit designations of all other Units in the Condominium) is set forth on the exhibit attached hereto, marked "Exhibit D", and hereby made a part hereof.

B. Composition of Units. Each Unit added hereby constitutes a single freehold estate and consists of the space in the building designated with that Unit's Unit designation on the Ninth Amendment to the Drawings and includes and excludes, as appropriate, those same items as are described and defined in the description of Units in the Declaration. Each Unit has direct access to Common Elements leading directly to a perpetual nonexclusive easement across a private road to be owned by the Master Association and leading to and from Davidson Road, a public street.

7. Common and Limited Common Elements.

A. Common Elements. All of the Additional Property, which is hereby added hereto, including all of the land, and all improvements thereon and appurtenances thereto, except those portions labeled or described herein or in the Ninth Amendment to the Drawings as a part of a Unit, are Common Elements.
